

## **New Branson Go-Kart Track Features State-of-the-Art Steel and Concrete Structure**

As the General Contractor of a new unique Go-Kart Track in Branson, DeWitt has learned that the more high rising the track, the more of a blast it will be. One of the two-facility capital upgrades to **The Track Family Fun Parks** features a track called *Heavy Metal High Rise*, which is 1,200 linear feet long, 200 steel-tons, and contains 700 yards of concrete. After spiraling up four stories, riders

### **Teeing up for the 6th Annual DeWitt & Associates Golf Tournament**

A date has been set for this year's golf tournament. At 8:00 a.m. on Saturday, May 14 at Island Green Golf Course in Republic, the 6th annual golf scramble outing will tee off.

This year is looking to be even bigger and better than in year's past, and with proceeds going to benefit The Kitchen, that's great news for all involved. If you are interested in playing in, or sponsoring the tournament you can still do so by emailing

will zoom down a three-tiered slope back to the ground. "From a General Contractor's viewpoint, we are typically involved in constructing very conventional buildings, and a project of this nature with its specialized circular design and distinctive steel structure has made it a rewarding and enjoyable project to be a part of," says Randy Ganz, President and CEO of DeWitt, "We certainly feel it will become a unique part of the community and provide fun for families for many years to come."

## A Busy Summer Scheduled at MSU

DeWitt will be busy at MSU this summer with not only the new builds of the Recreation Center and the Darr-Agricultural Center, but also with many Residence Hall renovations/upgrades. At Blair-Shannon and Woods, DeWitt will be installing a new fire protection package. At Hutchens House, an exterior renovation, which consists of a window replacement, exterior facade renovation, and new dining hall entrance. Finally, DeWitt will renovating the interiors of seven Residence Halls, which includes new paint, flooring and door packages. These summer projects are to be completed prior to the students coming back for the fall semester, so there will be a lot of hustle and bustle around campus.
