

## DeWitt & Associates Charitable Golf Tournament a Success

Rain or shine the game must go on. That's the way it felt on Saturday, May 15 at Deer Lake Golf Course when DeWitt held their 5th Annual Golf Tournament. Although a cool, rainy morning, the tournament went on to be a big success raising \$1,260.00 in charitable contributions to The Kitchen, a non-for-profit committed to addressing the needs of poverty here in Southwest Missouri.

With approximately 65 participants set up in

### New Project: Broadway Baptist Church

DeWitt & Associates was recently announced as the General Contractor for the new Broadway Baptist Church, a \$7.5 million project to begin later this year. The new church will be state-of-the art and equipped with administrative offices, classrooms, a multi-purpose area, music area, large worship area, and more. It will be located on

scramble teams, they teed off at 8:00 a.m. and finished around 12:30, just in time for lunch and prize giveaways for the longest drive, shortest drive, and closest to the pin. We want to give a special thanks to our sponsors for making this year such a success: White Cap Branch #332, Volvo Rents, Carpenters Local, Zickel Flooring, Otis Elevator, Summit Specialty Products, Midwest Block & Brick, AC Electrical Systems, Conco Co. & Conco Quarries, Carter Waters, South Barnes Masonry, Team Tools, Springfield Ready Mix, Butzer, Builders Rebar of Strafford, Doing Steel, Wil-Shar Erectors, Emery Sapp & Sons, SeCo, Artisan Construction Services, Anchor Fence and Prestressed Casting.

## **New Project: Greene County Public Safety Coordination Center**

DeWitt & Associates has been announced as the Construction Manager for the new Greene County Public Safety Coordination Center. The new center is to be completed by late 2011 and will be approximately 58,000 sq. feet, designed for Silver LEED certification and 24/7 operation. The main building will be able to withstand all natural and technological risks, such as tornados, floods, earthquakes and pandemic events. The center will also include offices for the Emergency Operation Center, Multi-Agency Coordination Center, multi-use areas, server room and much more. This center will also include classrooms, as training will be a critical component to the success of the facility. Technology and audio-visual support will allow classrooms to provide a variety of training scenarios, including configuration as a "hot center" with communications/dispatch consoles that can be utilized in a disaster activation situation to

North Barnes Avenue in Springfield. The architect for this project will be *Butler Rosenbury & Partners*, located in Springfield.

provide enhanced communications operability.

The architects on the project will be **Architects Design Group** out of Florida and **Pellham Phillips**, located in Springfield.

Groundbreaking is to begin fall 2010.
